LIVE BASE BALL TIPS

New Britain here to-day. Slugging will be in order.

Double header to-morrow. The Singers and U. M. C. teams of the industrial league will be the preliminary to the Northampton-Bridgeport game.

Manager O'Rourke has arranged a double header at Newfield Monday with Holyoke.

Hartford and Northampton broke all Connecticut league records by battling for nineteen innings yesterday in Northampton. Umpire O'Brien calling the game on account of darkness.

Many Bridgeport fans will leave for New York to-day to take in the double header between the Giants and Pittsburgh.

Tom Stankard, the former Waterbury player who is with Denver is the leading batsman in the Western league, having an average of .371. His batting is considered the most remarkable since the Western league was formed.

Heinie Hennig, though he did not do much in the second game had Big Bill Mason's goat. Bill could not hit the ball out of the infield, out of five times up. In the first he took three off Gibbs.

Bannon and Hill each came in for a trio of bingles in the opening game, while each were credited for a longer in the second, Hill's being a homer.

Two homers and a two bagger is not bad batting. Miller did the trick in the second game.

John Bunyan opened the eyes of the natives with his first base play. John whipped the ball hard at every appearance at the plate, connecting for three hits in the two contests.

New Haven lost a wretched game to Holyoke at the Bavin Rock swamp yesterday. They had the game all sewed up, the Papermakers gathering eight runs in the last two innings. It was stated that Haven played second with a broken finger. The defeat is charged up to his account.

Truly, it is time that the pink envelope was handed out, either by Owner Cameron to Mr. Bone or by Bench-Manager Bone, to some of the players. New Haven Journal-Courier. It is pretty hard travelling for Bone, but the fans demand that they have a ball team.

Tommy Downey came in for his usual hit yesterday. You may expect Tommy to do well in the next few games as he is fast for a while.

Bannon scored half of the Orators runs in the first game yesterday. By the way if the majority of the Orators as much as George does, Bridgeport would not now be safely lodged in last place.

TWICE BEATEN

New Britain Had Indian Sign on the Orators.

New Britain took both games of a double header yesterday in Hannaville from the Orators by good scores. Both games were marked by good stick work, the New Britain sluggers getting to Gibbs in the first and to Hennig in the second. There was a marked change in the pitching of Gibbs, who on his former appearance in the Hannaville town allowed only four hits, winning his game 4-2. New Britain was taking no chances with Carson Hodge who in the opening contest, was yanked out in the final inning and Case substituted. Bridgeport had a delayed rally in this inning netting three runs. New Britain had a lead of six runs in the second game when the Orators counted for a trio of runs in each of the sixth and seventh innings. In the seventh with two on bases Miller lifted the ball over the fence. His other homer came in the fourth. Hill's homer started the scoring in the sixth. The scores:

(First Game.) R. H. E.
New Britain 7 0 0 3 0 0 0 10-12-2
Bridgeport 1 0 0 0 0 1 0 6-12-5
Batteries: Hodge, Case and Rudolph; Gibbs and Koehler.

(Second Game.) R. H. E.
New Britain 11 4 1 0 3 0 0 10-13-2
Bridgeport 0 0 0 1 3 0 0 7-13-3
Batteries: Case, Ward and Hirst; Hennig and Koehler.

FACTORY LEAGUE

Games Scheduled for Tomorrow Include One Double Header.

Factory league games for tomorrow: Bullards vs. Ashcroft's (two games) Steeplechase Island, 2:30.
Loco vs. Birdsey & Somers at Seaside, 3:00.
Batchellers vs. Jennings Bros., M. A. C. lot, 3:00.
The Loco-Birdsey & Somers game will no doubt be the best game, as the former are lodged in first place with no defeats, while the latter are second with one defeat. Barron, the crack Oriole pitcher will do duty for the second place men, while Buddington will hold up the Loco end. There will also be a lively time at the double header at Steeplechase.

COPS' SCHEDULE FOR SEASON; 4 GAMES AT HOME

Plans for the playing of an inter-city championship police schedule were formulated yesterday afternoon at Meriden when representatives from six different cities of the state were present. Bridgeport being looked after by Sergeant William O'Leary. P. J. Griffin, a wine merchant of Meriden donated a silver loving cup to go to the winner of the series. It was also decided that the representatives from the other cities secure suitable prizes to be contested for by individuals as to batting, base running and fielding. The schedule as adopted is as follows:

At Bridgeport, July 21.
New Britain, Aug. 12.
New Haven, Aug. 28.
New York, Sept. 5.
At Waterbury, July 22.
New Britain, July 22.
New Haven, Aug. 12.
Meriden, Aug. 12.
Bridgeport, Aug. 20.
At New Britain, Bridgeport, July 15.
Waterbury, Aug. 10.
New Haven, Aug. 19.
Meriden, Aug. 25.
At New Haven, Waterbury, July 20.
New Britain, July 27.
Meriden, Aug. 3.
Bridgeport, Aug. 31.
At Meriden, Bridgeport, July 14.
New Haven, July 17.
Waterbury, Sept. 1.
Bridgeport looks good to carry off the cup, judging from past performances. The local club is composed of a number of ball players who have had seasoning on professional clubs. That they have class was demonstrated yesterday when they defeated the Drug Clerks at Newfield Park 14-2. Tom Malone and Tom Ivers were the battery for the Cops.

INDUSTRIAL LEAGUE
Industrial League games for tomorrow:
Yost vs. Crane No. 2, Yost Field 3:15
U. M. C. vs. Singers, Newfield, 2:00.
Crane No. 1 vs. Barners, Seaside 3:15.
Brassies vs. A. & B., Crane Field 3:15.
Yost-Crane No. 2 game will be the crowd getter.

It's a contest between the first and second teams in the league standing. U. M. C.-Singer game will be a preliminary to the Northampton-Bridgeport league contest.
The league race seems to have slimmered down to three teams, both the Cranes and the Yost.

If the No. 1 Crane team had just the slightest semblance of team work they would now have more than six wins to their credit.

The scores of the games of late have been pretty much to the bad. Sloppy playing has been in evidence in most every contest. This is due probably to the warm weather, and the fact that the boys are not in condition after a week's hard work in the factories.

Unless the Crane teams put a crimp in the victories of the Yosts in the next two games there will be nothing to it but the second straight series for the typewriter makers.

Pitcher Robinson of the Brassies tried his hand at umpiring Saturday and Monday, but failed to make good. He umpired the Yost-Brassie game Saturday giving his own team the worst of the argument.

Waiter Lord proves a valuable acquisition to T. McCann's staff of umpires. His work in the Yost-Warner game was very good. Before the game he called the members of both

teams together warning them that he was the boss and that his decisions were final. He even went so far as to tell Capt. Langhammer of the Co-set-makers that he was aware of the fact that the Warners were composed of a number of would-be fighters who would be ruled out of the game if they showed any of their funny work.

The management of the No. 1 Crane Co. team has protested the game played with No. 2 Crane on Monday on the grounds that Umpire Boland was incompetent.

Scraps have been quite frequent in the games lately. Hurley of the No. 1 Cranes and Troughlin of No. 2's had a run in Monday, but were separated. McCormack of the Warners was also looking for fight in the Yost game. The managers of the various teams ought to get after these unruly players, giving them a session on the bench, or the league directors ought to take action so that these rowdies may be curbed.

Art Ball will continue to act as manager of the U. M. C. Co., at the league meetings, while Jack Coffey will be the playing manager. The change it is thought will be for the betterment of harmony on the team.

Singers have fallen out of the race for the want of a reliable pitcher and the lack of team work. There is no other club in the league that has it on this team when it comes to the number of good ball players.

Manager Ellsworth ought to get wise and sign up a good battery. This Murphy he has behind the bat is a joke, while neither Mullins, McCarthy or Mosher show class. Twirlers. There are a number of good players around the city who are in need of a job, who would fall for the chance of playing on the No. 1 Cranes, for instance Flynn and Land the crack battery of the Bengals.

American & British team are still plugging, now bringing up bridge up in the league race. They have a good club, but cannot seem to get together.

Out on the Yost field they are this week putting in place a large mast which is to be used for the pennant, for which a design has already been sent in.

Summit, Cal., July 8.—Leaving Reno at 6 o'clock last evening, where they were met by a great send-off, I walked to Verdi and then slept five hours. 3:30 this morning I started for Truckee and passed through the most beautiful canyon in the world, crossing the line into California at 4:58 a. m. The scenery is simply grand. The Southern Pacific Railroad, running beside the Truckee River, between gigantic mountains, presents a panorama. The air is chilly, though bracing and the walking is excellent. I never felt so well and hearty in my life.

On arriving at Truckee I found Mr. Brown, who had been assigned by Supt. Sheridan to guide me past the forty-two miles of snow sheds over the Nevada mountains. The snow which I reached at 6 o'clock this evening, forty-nine miles. I shall go on to Cisco, fourteen miles further, making sixty-three miles before 10:30 to-night.—New York Times.
